

The last 27th of April the Traditional TaeKwon-Do Association of Madrid (AMTT) celebrated a meeting with the black and red-black belts, the main objective for made this meeting was to evaluated the job made until this time and to program future activities and main lines will be follow.

The meeting was presided over by Mr. Alejandro Veyssiere, president of the AMTT; and as special presence of Mr. Carlos Martin, president of the International TaeKwon-Do Federation Spain "F.I.T.E". The fifteen black and red-black belts who assists to the meeting, interchanged ideas of the following steps the AMTT to continue with the grow of TaeKwon-Do in the Madrid Area, like opening new training dojangs for kids and adults, and the necessity to organize activities and to concur to championships and seminaries. In this sense, the next events stood out to which the AMTT will support, like the international course with Grand Master Choi Jung Hwa, president of the ITF, which will be held in Napoli (Itali) the next 14th and 15th of may, where four instructors and a student will be come. Also was insisted on the priority that represents the next FITE National Congress that will be made in October in Santa Cruz of Tenerife. Also in the meeting was presented the eight competitors!

Who came to the XIII Galician TaeKwon-Do Tournament, which reached the 5th position in overall club division, and 14 medals in the individual competition (4 gold, 4 silvers, 6 bronzes) in all divisions of the tournament. This results emphasized the technical capacity of the AMTT.
