

The members of the Madrilenian Traditional Taekwon-do Association (AMTT) made a demonstration during the celebrations of the 25th anniversary of the El Corro Children School in the district of Moratalaz. Taekwon-do was immersed in a set of activities (music, games, gastronomy) that turned the zone a popular celebration, where took place demonstration.

Near the noon, when a numerous assistants crowded the different entertainment zones, started the outdoors demonstration. The AMTT members offered to the public a good show where they can see the different aspects of ITF Taekwon-Do. The demonstration began with a team pattern made by the red- black stripe belts, the children continued with a kicking technique exercise, this was completed by the adult members. The black belts continued with a speed and control kicking techniques, for this they required the collaboration of one person of the public to show the precision of the kicks. After that, several step sparring were made, the kids made three step sparring (Sambo Matsogi), the adults made one step sparring (Ilbo Matsogi) to show the quickly reaction of Taekwon-do techniques, the high levels made Mobum Matsogi (demonstration sparring). After the technical part, all the members show the sport aspect making a free competition sparring (Jayu Matsogi) and the advanced members made competition sparring exercise with referee and all the competition procedures. An important moment of the demonstration was the simulation of a real attack, where an adult try several times to attack a kid, who using his knowledge of Taekwon-do repels the attack with different Hosin Sul exercises. After the sportive and personal defence exercises the demonstrations returns to the technical aspects, the kids made an individual pattern and the international instructors made the fourth degree pattern Moon Moo. In order to finalize, the AMTT members showed the effectiveness of Taekwon-do techniques making different breaking techniques with wood. At the end the public and organizers gave a warm and extensive applause to Carlos Martin (V Degree), Alejandro Veyssiere (IV Degree), Marcelo Betancourt (I Degree), Orlin Sokolov (I Degree), Agustin Lopez Siller (1st Gup), Julian Cañete Manzano (1st Gup), Jose Maria Vega Benitez (1st Gup), Manuel Horta Bellido (7th Gup), Sergio Rodriguez Sanchez (8th Gup) and Maria Rodriguez Sanchez (9th Gup).
