Sunday morning was used to conclude with the work initiated previous day, ending the session with application exercises to the focus gloves.

It is necessary to highlight the hot greeting of the parents of the kids, who offered a friendship dinner to the Masters, making them feel like at home.

Once finished the Stage, the visit of the Councilman of Sports of Benalmadena Mr. Manuel Castro Ruiz, and the General Manager of the Sports Hall Mr. Juan Correal manifested their gratitude to choose Benalmadena for the organization of this outstanding event. The authorities also wanted to entertain the Instructors with a dinner in the Nautical Club, located in the heart of the Sportive Port of Benalmadena (Puerto Marina), closing the night an impressive unfolding of artificial fires, commemorative to the party of the Carmen's Virgin.

In this way, this great seminar was closed, leaving a great mouth flavor, wanting that this type of events will put in the national Taekwon-Do calendar, and continue enlarging the great TaeKwon-Do family in Spain.
