To conclude the activities of the Congress from 16:00 to 20:00 hours it was carried out a friendship tournament between the participant in the congress;and the umpire practice.

The level in this little event was very high in Tul and Sparring specially between competitors of great prestige nationally and internationally, such as Maurizio Troiano, Diego Búa, Alejandro Veyssiere, Francisco Espeche and the already retired of competition Antonio Blanco.

Once the tournament finished the F.I.T.E President closed the Congress manifesting their satisfaction for the good organization and for the development of the event. He also had some words of gratefulness for the Sociedad Liceo of Noia, the sponsors and Master Troiano.

Master Troiano thanked to the President that offered the Spanish hospitality for the occasion, and he also showed his satisfaction for the development of the event. He thanked and congratulated the participants for the good level demonstrated, encouraging them to continue being sacrificed day by day to improve and not to fall in the monotony.

After the speeches the students and black belts exploded with a great applause that didn't mean another thing more than their approval, satisfaction and admiration for the excellent carried out work as much for the organization as for the collaborators and the responsible ones of imparting the different activities.

After the successful balance of this Congress we should reach the conclusion that the F.I.T.E., continuing with the transparent, democratic, objective line that was marked in their recent birth, thanks to the effort and all their staff dedication and members is achieving successes in all the aspects above the forecasts, for what we all should be proud and satisfied of our work.

To conclude this article the Federation Staff wants to give those thanks to all the members that day by day they are making an effort so that our organization works the best thing possible and to diffuse our style, because without a doubt they are those that truly make us big and strong. Also wants to request to all their members that collaborate insofar as possible so that our Organization continues growing because the F.I.T.E. are all of us and if F.I.T.E grows all we grow.
