

Vth International Seminar C.D.Taekwon-Do Benalmadena **Tomaz Barada 2009**

The locality of Arroyo de la Miel, hosted a new international seminar, organized by the Sport Club TaeKwon-Do Benalmádena, with the support of the F.I.T.E and the local authorities.

For the second time Tomaz Barada (Slovenia) arrived to Spain with desire to share his experience like international competitor, guaranteed by multiple european and world titles.

This event was supported by many instructors and students from different points of the Spanish geography, emphasizing the participation of Ireland as special guest.

Friday was dedicated to the second international stage of KickBoxing, with competitors from all the province, who reflected a great interest by the knowledge of Mr. Barada. It is necessary to emphasize the inestimable collaboration of Mr Miguel Marín, maximum authority of Kick Boxing in Malaga, and Mr. Fausto Jiménez who ever support the events organized by Sport Club TKD Benalmádena.

Saturday was introduced the Vth International TaeKwon-Do seminar, with almost a hundred children who was ready to follow the teachings of the Instructor during all the event.

The instructors, parents and FITE authorities, could observe the work of Mr. Barada with the kids looking to enjoy with them all the time; a new face of a great champion. The training was based on different games looking to the application of the TaeKwon-Do techniques, where the children learned to move in sparring with different technical combinations. In order to finalize the session different groups divided by degree and age were fighting against Tomaz.

The afternoon session was reserved to the seniors. Emphasizing the great amount of Instructors and black belts that met in the sports hall to enjoy the event. They were 3 hours of an absolute physical work, that indicated the correct way to train a top competitor. The work had different sections, differentiated in the application of attack techniques and counterattacks, according to the different tactics that usually are used in competition. The session finalized with one long sequence of combinations where the implication of the participants was absolute.

Sunday was reserved for a final session where all the groups joined together. The sports hall was full with the attendance of 150 people who enjoyed until the last minute of the wisdom of Tomaz.

The children hit by the work next to all the black belts; and the adults by the good atmosphere between all the participants.

Once finalized the session, the organization received to the sports councilman of the city, Mr. Francisco Artacho, who do not want to let pass the opportunity to support the great promotion of TaeKwon-Do in Benalmádena. He gave some special awards to Mr. Maximiliano Montiel (President of Organizing Committee), to Mr. Carlos Martin (FITE President) and to Mr. Tomaz Barada (Instructor of the international seminary).

The councilman of Sports wanted to thank for the visit to all participants and to congratulate Mr. Maximiliano Montiel by his great work promoting the city through the TaeKwon-Do, declaring that he will continue supporting all the activities.

The Madrilenian TaeKwon-Do Asociation in hands of Mr. Alejandro Veyssiere, received an special award in gratefulness by its continuous support to the school of Benalmadena.

In order to finalize the seminar the president of the F.I.T.E took the word being thankful to all present and their exemplary behaviour,

emphasizing the sacrifice and constant work of the parents who ever support the activities in the province.
