Technical and Sparring Seminar

The Sport Club Taekwon-Do Benalmadena organizes a technical course, and a sparring Seminar last March in the city of Arroyo de la Miel, Malaga. The international instructor Mr. Alejandro Veyssiere IV Degree was in charge of this seminar where 75 students of all ages could enjoy with the experience of the captain of Spanish Team and members of F.I.T.E Technical committee.

The work was divided in morning and afternoon sessions, where the participants could work all the aspects of Patterns, Sparring in competition, and pre arranged sparring (three, two and one step). When the seminar session finished, some grade test was ready for closing the course.

This course had the presence of Mr Ricardo Rodríguez from Canaries Islands member of the national team, and Mr. Agustín López first degree from Madrid team.

It is very important to highlight the organization of the event and the constant parents work of the students, that made possible the International Instructor's flattery toward the great operation and constant growth of the Sport Club Taekwon-Do Benalmadena.

In the name of Mr. Maximiliano Montiel responsible of this high quality event, thank you to all the assistants, the local press, local authorities and parents for the support and constant work; and to the International Taekwon-Do Federation Spain (F.I.T.E) to make us feel happy making our lovely passion Taekwon-Do I.T.F.
