

## New F.I.T.E headquarters Madrid.

In the first week of February the new F.I.T.E headquarters started to work. It is necessary to highlight that the headquarters is located inside the Mirasierra Suites Hotel; a five stars hotel endowed with all the luxuries of this kind of installations.

The new headquarters of the FITE is born to continue with the development and expansion process that the president, Carlos Martin, it has projected for a more professional operation.

We offer a photographic report where you will be able to appreciate different headquarters areas like meeting room, vip room, central lobby, swimming pool, jacuzzi, fitness room, etc.

We hope all Taekwon-Do lovers around the world will visit the official headquarters.
